## **ACT ONE**

*At Tracey's house.*

**NARRATOR:** Tracey and her parents, Ron and Pat, are seated in the lounge-room, when they hear a familiar knock at the door.

*Rat-a-tat-tat.....tat-a-tat-tat.*

**TRACEY:** I'd know that knock anywhere. It must be.....

*Dad interrupts.*

**RON:** Oh no! It can't be! Everybody keep perfectly still and maybe he'll go away.

**TRACEY:** Awww, dad.

**RON:** Sssssh!

**PAT:** Ron, he is your brother.

**RON:** I know that! But.....he's A BEAR!

**PAT:** Don't be so picky, Ron.

**RON:** But he's BIG and FURRY..... and he leaves hair all over the furniture.

**PAT:** You know a little bit of vacuuming never hurt anyone.

*Tracey is getting excited and has started to dance around the room.*

**TRACEY:** Uncle Digby's staying. Uncle Digby's staying.
